Mr. Otis:

Thank you for your telephone call earlier today. I'm sorry I missed your call. I'm about to leave for the day and will be out of the office tomorrow, but wanted to get back to you before the weekend. EPA Headquarters is continuing to review and consider the public comments considered during the public comment period on the proposed listing of the CFAC site. I still expect Headquarters to make a final decision this fall, but the timing of the decision is up to Headquarters. I will notify you as soon as Headquarters reaches a final decision.

Mark
